**General Notes**

The information depicted on the map represents the results of surveys made on the date indicated and can only be considered as indicating the general character of the terrain. Unless otherwise noted on this map, all depths and soundings are in feet and referred to the International Great Lakes Datum 1985 (IGLD 1985). All north arrow positions are referred to North arrow Datum 1983 (NAD83). See the S116 (100-010) notes for more information regarding datum. To have a digital version of the survey added to your database, please contact the National Hydrographic Survey Center at 1-800-368-5858. E-mail: [nhsc@noaa.gov](mailto:nhsc@noaa.gov). For more information, please visit the NHSC Web site at <http://www.nhsc.noaa.gov>. This drawing was prepared using a CAD system.

See the map for disclaimer.
